Directors Corner

Dear Parents,

We would like to wish all of our A+ families a very Happy New Year! As a new semester begins at A+ we are excited for the students that are moving up and for those who continue to work very hard in their classrooms. Parent involvement is always encouraged in the classrooms. If you have something special/cultural you would like to share, please be sure to talk to your child's teacher about scheduling a day to come in.

A+ is always trying to bring new and exciting programs to our school. Starting in February we will be offering an Art program during the week. We would also like to offer Art, Music and Phonics classes to families that may work on Saturday mornings. If this is something you may be interested in for your child, please see Ms. Sherry for details!

With the winter season upon us we would like to remind parents that we will be taking the children outside to play on sunny days. Please be sure to send your child to school with appropriate clothing for the winter season. Hats, mittens, and heavy jackets are encouraged.

All of our classrooms are in need of extra clothes, especially pants and underwear. We would very much appreciate any donation of clothes that you can give us for both boys and girls from 18months to school-age sizes. Also, if you have provided a change of clothes for your own child, please check in their cubby to be sure the clothes that are there are appropriate for the winter months.

Last month the teachers collected email addresses from all of our families. Ms Meagan will be entering your email addresses into a database so that we can provide you with regular updates and information, along with the paper copy that will still be sent home.

~Ms. Sherry

Our teacher of the month is Ms Angela! Ms Angela is an important figure at A+. We often see her in the mornings welcoming students to school, cooking in the kitchen, and covering for teachers as needed. She knows all of the students and families at A+. Thank you for all of your hard work and dedication, Ms Angela. We are so happy you are a part of our A+ family!
