Welcome to the A+ Family:

Danny & Abby

Nathan, Eric, William

Nikilas, Ashton, Abhinov

Aditi & Chloe

Ms. Michelle - Preschool

Ms. Rachel - EPS 1

We would like to introduce our newest teachers to you. Ms. Michelle has joined our Preschool classroom as the Lead teacher and Ms. Rachel has joined our EPS 1 classroom as the Lead teacher. They both have a Bachelor's degree and years of experience in childcare. Please take the time to get to know them and talk with them if you have any questions or concerns about your child's progress.

Director's News:

During the summer here in Texas it is HOT outside, but we still encourage outside activities. However, your child's teacher will use their judgment in deciding when to go out and for how long. Sunscreen will be applied if you have brought it to school. We will also be encouraging the children to drink lots of water. They will also be participating in some fun water activities, but our #1 priority is the safety of the children in our care.

In the summer time, we will reinforce what the kids have already learned throughout the school year. Our goal is to use the summer as a time for any needed "catching up", so that each child will meet their yearly objectives. We want each child to have a great start for the next level. If you have any concerns, please talk to me or your child's teacher.

One main A+ philosophy is that we like to keep a family atmosphere, with the objective that A+ is OURS together (yours and mine.) On Saturday, July 18th we will be having a family Pool party at the Jack Carter swimming pool from 8:30pm - 10:30pm. We hope that you all can make it, but please make sure to reserve your spots by Monday, July 6th. Also, we will be hosting a "Magic Show" for all of our children on July 28th here at A+. We encourage all parents to join your child/ren for this exciting event.

Please share your happy experiences with your friends, as we do appreciate referrals and give a referral fee to our A+ parents.

Have a great and fun summer,
Ms. Sherry

Teacher of the Month:

Ms. Tiffany is our July teacher of the month. Ms. Tiffany has been doing an exceptional job in our Early Preschool 2 classroom. Her creativity and dedication has made her a wonderful asset to our A+ family.

Weekly Themes:

7/6 to 7/10 Camping, Picnics and Fishing

7/13 to 7/17 Circus Fun

7/20 to 7/24 Sports Time

7/27 to 7/31 Planet Earth & Space

Life Theme:

Swimming Pool Safety

Last month we talked about "Safety in the Sun." This month we will be talking about ways to be safe while swimming. Swimming is part of many family's recreational plans throughout the HOT summer months. We want all of the children to remember to take caution so that they can have a fun and safe time while enjoying water activities.

Magic Show:

The week of July 27 - 31st we will be enjoying "Magic Week." We will celebrate by having James Wand here at A+ to perform his magical wonders for the whole school on Tuesday, July 28th at 10:00am. All parents are invited and encouraged to attend with their child(ren).

Pool Party:

We will be hosting a Pool party at the Jack Carter Pool (2800 Maumelle Drive) on Saturday, July 18th from 8:30pm to 10:30pm. We hope that all of our wonderful A+ families will join us for this fun-filled event. We do however, need to know in advance how many people will be attending so that the pool can staff accordingly, so please let your child's teacher know by Monday, July 6th how many in your family will be attending. Thanks and we can't wait to see you all there!

Pest Control:

We just want all parents to be aware that we have pest control service our play yards and our building on a regular basis. However, due to the recent weather change we have had our play yards sprayed again as a preventative measure.
