DIRECTORS CORNER

Dear Parents,

This is a special time of year when there are huge celebrations coming up to commemorate freedom and independence. As you gear up for the holiday week-end, take time to explain to children that our "freedom was not free." People paid with their lives a very strong price to secure this wonderful land we live in, and they still do this today. Let's keep those troops of ours who keep this nation safe, in mind on this special holiday week-end.

We are very excited to announce that we are able to provide the toddler classroom with a shade structure for their playground, a new playhouse, and a new rug for circle time! Look for these new items to arrive in the month of July. We are also proud to announce that we will be adding a new shade structure over our large playground area. We are excited to be able to provide a safe play area for our kids during the hot summer months!
