

## **Director's Corner:**

Your child's classroom Evaluations were sent home in May. I hope that you all had a chance to review them and discuss them with your child's teacher. We will use the summer to help all children review and catch up in individual areas as needed.

On another note, I would like to send out a great big "thank you" to all of you wonderful A+ parents for helping us receive new books for our classrooms. Your purchases from our Book Fair in May helped us gain about 60 new books for our classrooms.

Have a wonderful summer and don't forget to give us at least a two week notice if you will be taking vacation time or will be withdrawing your child from A+.

Thanks,  
Ms. Sherry

## **Weekly Themes:**

6/1 - 6/5: Robots & Machines  
6/8 - 6/12: Fathers & Kings/Princes  
6/15 - 6/19: Luau (Hawaiian Theme)  
6/22 - 6/26: Ocean & Sea Animals  
6/29 - 7/3: Independence Day

## **Mobile Dentist:**

The Texas Mobile Dentist Smile Program will be visiting A+ on Wednesday, July 1<sup>st</sup>. Application forms were sent out last month, but if you need another copy please see Ms. Sheila at the front desk. All applications MUST be in to your child's teacher no later than Thursday, June 4<sup>th</sup> if you want your child to participate. Thank you.

## **Withdrawal from A+:**

Just a friendly reminder that if you are going to take your child out of our care at any time, a two week advanced written notice is expected. If one is not given, you will be billed for those two weeks as stated in your A+ handbook that you received upon enrollment. We need to have this prior notice so that we can staff accordingly. Thank you for your understanding with this matter.

## **Life Theme:**

### *SAFETY IN THE SUN*

Last month we talked about "Being Responsible." This month we will focus our attention on proper "sun safety." The children will learn about ways to enjoy the hot Texas sun safely, such as drinking appropriate amounts of water, wearing hats, staying in the shade when possible, and of course always using sunscreen to prevent burns and bad UV Rays. We hope that you will help enforce these healthy practices at home as well.

## **Upcoming Events:**
