

Directors Corner

Dear Parents,

Fall is here and we're all excited about the cooler weather! Please make sure you dress your child for the changing weather with light jackets, closed-toe shoes, and layered clothing. As cold and flu season approaches encourage your child to form good habits by washing hands regularly and sneezing/coughing into their elbow. This will help prevent the spread of illnesses

Please update any information that may have changed since you enrolled your child at A+. Your child's teacher will be checking with you to make sure all contact information is up-to-date and current. In accordance with state regulations and for the safety of your child, we need to be able to reach you at all times.

Teachers just finished initial evaluations for all students. Another round of student evaluations will be held in December. At that time teachers will schedule conferences with parents. You are welcome to inquire about your child's progress with their teacher at any time in the school year. Team work and parent involvement is the key to student success!

Please remember the drive up parking is for 2 minutes only! If you plan to stay longer, please be considerate of others and park in a space.

This year's fund raising event will be for the purchase of math manipulatives in every classroom. Please help support our school and your child's classroom by participating!

~ Ms. Sherry

FALL CARNIVAL & OPEN HOUSE

Please join us for our Open House/Fall Carnival on **Saturday, October 24th from 2-5pm.** Students can come play games in their costumes & parents can see the good work the children have been doing in their classrooms! Invite your friends & family, too!

Dial 2-1-1 for Flu Advice!

Basic flu symptoms include: fever, cough, and sore throat. Most H1N1 and seasonal flu cases can be treated at home with appropriate fluid intake, fever-reducing medicine, rest, and careful monitoring.

Happy Birthday to You!!
