DIRECTORS CORNER

Dear Parents,

All the kids are back to school and getting used to their daily routines. Our teachers have been working hard to get to know your child and set rules and routines in the classrooms. Please feel free to talk to your child's teacher about any questions you may have at any time. Open communication is very important to us!

We are proud to announce that Ms Meagan has been promoted to Assistant Director. Ms Meagan has been doing a wonderful job. We would like to recognize her hard work and the dedication she provides to the families at our school each and every day.

We had a great time hosting family swim night at Jack Carter Pool last month. A+ would like to thank Albertons and their Director, Zak Allen for the donation of the desserts at the pool party.

Playground Safety:

As the weather begins to cool down we will be spending more time outdoors in the afternoon. The outside shade structures help to keep our play areas safe and cool. **Please be sure to have your child wear shoes that are properly secured to their feet each day for outside play.** He/she will not be allowed on certain equipment without the proper shoes.

Fall Registration and Supply Fees:

**Fall registration and supply fees for all programs are now past due.** If you have not already done so, please include these fees in your next tuition check.

ATTENTION After School Parents:

We care about the safety and well being of your child(ren). **Please kindly call us NO LATER THAN 2:00pm** if we do not have to pick up your child from school. It is very important that our drivers and teachers know ahead of time if your child will be absent from A+ that day.

~Ms. Sherry
