

A⁺ PREP SCHOOL

February 2009

Directors Corner

A+ concentrates not only on "academics" but also good manners and behavior. MAKING GOOD CHOICES are the primary goal, but we need your help. Help us to let your child know and understand the consequences of their choices. We understand that after a long hard day at work, you do not like to hear a negative report about your child. However, please take it as we are working together as a team to do whatever is good for "OUR" child. Kids need to learn the consequence. The same thing might happened several times, but do not get frustrated, kids need our love and patience.

Thanks

Sherry

We have some students who have a severe allergy to peanut butter, peanuts and nut products. Products containing any nuts may cause a severe allergic reaction or even death for some students, just by touching them. Please keep this in mind when sending food and snacks to school with your child. Please help us to keep all of our children safe.

Thanks

Weather

Texas weather is always up and down, especially this time of year. Watch the weather and dress your child appropriately. Everyday the weather permits, we will go outside so remember to bring coats and jackets.

Happy Birthdays!

Brittan Beatty	3 yrs	2/2
Moyin Samuel	4 yrs	2/4
Tatianna Dube	6 yrs	2/14
Reanna Selvaraj	5 yrs	2/23
Tyler Chow	5 yrs	2/29

Teacher

Ms. Lou	2/15

Life Themes -Love and Caring

Each month we choose a theme to build life and community skills for our children. Last month we focused on Nutrition and eating healthy. This month we will discuss "Love & Caring". We will read books like Steam Shovel by Mike Mulligan. Let's continue to work together to educate our kids in real life skills and concepts.

Weekly Themes

Be sure to talk to your child about this month's themes each week!

Week of 2/2 - Dental Heath (Groundhog Day)

Week of 2/9 - Valentines Day - Friendship

Week of 2/16 - Presidents Week & the USA

Week of 2/23 - Inventors & Inventions (Black history)

Please remember to label all of your child's belongings. Often there is more than one child who has the same item or the teacher may not remember who it belongs to. Any items placed in the lost and found unclaimed will be donated to charity.

* Your input is appreciated; let us know what you think about A +.

February - Valentines Party

March - Picture Day

April - Pre-Registration

May - A + Picnic

June - Graduation

Welcome to the A + family
